

COMMUNITY INVOLVEMENT

We are members of Business Volunteers Unlimited (BVU). BVU strengthens nonprofits by involving volunteers from the community; engaging hundreds of business executives and professionals on non-profit boards of directors; and providing leading-edge board and management consulting and training services for nonprofits.

Each year, C&P sends a selected employee to BVU's Volunteer Trustee Institute where the person is trained and placed on a non-profit Board.

In addition, we believe in supporting the communities where we do business. As an employee of our firm, you will have the opportunity to participate in a number of charitable events, including the following:
