

CONTROLLER
CONSTRUCTION COMPANY

Northeast Ohio Construction Company is in search of a results-oriented financial professional to function as Controller and oversee the Company's financial reporting and implementation of strategic goals, objectives, policies, and operating procedures. In this position, you will be responsible for planning, organizing, and directing the accounting functions, analyzing financial and cost information, preparing financial reports, and will be required to present findings and recommendations to management. The position will report directly to the President. The ideal candidate will possess the following qualifications:

- Experience in construction accounting
- Ability to prepare GAAP financial statements
- Experience with payroll preparation and tax filings
- Adept problem-solving and analysis skills
- Very detail oriented
- Self-starter with the ability to meet deadlines
- Excellent communication skills – written and verbal
- Strong analytical skills
- Experience with computerized accounting – preferably QuickBooks, spreadsheets and word processing

This is an exciting opportunity to join a growing and dynamic Company. We offer a generous compensation and benefits package for the best candidate. To apply, please e-mail resume and last three years salary history to cpainfo@cp-advisors.com.
