

QUALITIES

Here are some of the qualities we look for in our professionals:

- Intellectual competence—learning and processing new information, analyzing problems and new situations, and exercising sound judgment
- Leadership skills—motivating, influencing, and providing direction to others
- Team skills—interacting and cooperating with others to achieve common goals
- Flexibility—shifting priorities, adapting to new working situations and hours, and bouncing back from possible setbacks
- Motivation—setting high performance standards for yourself, and exceeding them
- Communication skills—effectively articulating your thoughts and ideas and proactively listening to others
- Prioritization skills—organizing, planning and juggling multiple priorities and assignments to maximize productivity
- Customer service focus—developing, maintaining, and ensuring the high quality of client or customer relationships
- Technical skills—acquiring and using specific knowledge of the technical tools required for the position
- Selling and influencing ability—identifying and following through on opportunities to deliver or improve business services or initiatives
